

ATTENTION ALL STUDENTS TURNING IN OBSERVATION HOURS:

AS OF JANUARY 1ST, 2010 ALL STUDENTS ARE REQUIRED TO OBTAIN AND KEEP CURRENT WITH THE FIELD EXPERIENCE OFFICE, A BACKGROUND CHECK AND TB TEST FOR EXPLORATORY OBSERVATIONS.

(Less than 6 months old at the time of the observation)

- The background check results and all other paperwork must be in and results returned to the Field Experience Office at Truman State University before any paperwork for exploratory hours will be sent to a requested school district.
- The background check can take weeks to process, therefore, you should begin the process as soon as possible.
- Instructions on how to obtain a Background Check can be picked up from the Field Experience Office, VH 2310.
- TB Tests can be obtained at the Student Health Clinic on campus, your family doctor, or the local health clinic. Please bring a copy of the results to the Field Experience Office in VH 2310 for your file as soon as your results have been processed.
