**SAMPLE PROGRAM**  
**ECONOMICS B.A./B.S.**  
**2012 -2013**

*This sample program suggests one way to navigate the curriculum in four years. You are NOT required to take every course in the semester indicated. Many equivalent patterns are possible.*

* If MATH 156: College Algebra and MATH 157: Plane Trigonometry are used to fulfill the Elementary Functions Essential Skill Requirement, then MATH 192: Essentials of Calculus or MATH 198: Calculus I should be taken during the first semester of the sophomore year.  
** Internship credit may also be applied here.  
*** Writing-enhanced courses. These two courses, along with one other course designated as writing-enhanced, fulfill the writing-enhanced requirement of the LSP.  
^ This course fulfills the Mathematical Mode of Inquiry  
# This course fulfills the Social Scientific Mode of Inquiry
