Link Error: [Link Code] **Required or Co-Requisite Error.** To enroll in this course, you also need to enroll in another course at the same time. Check the catalog to identify the second course and then add both courses to your schedule at the same time.

Departments have limited some courses to certain students. If you receive a **Pre-Requisite** error, a **Major Restriction** error, or a **Class Restriction** error, check the online course schedule and the 2016-2017 General Catalog to see if you are eligible to enroll in the course. If, after reviewing these criteria, you believe that you are eligible to enroll or would like to request permission to waive these restrictions, contact the appropriate Department Office.

You may also receive a **Class Restriction** if you are an undergraduate student attempting to enroll in a graduate course. Contact the Graduate Studies Office for permission to enroll in graduate courses.

Time Conflict with [CRN#]. If you have already made arrangements to waive a time conflict error, contact the Department Office offering the course for which you received the error.

Maximum Hours Exceeded. See below for overload procedures.

Repeat Hours Exceed or Repeat Count Exceed. You are attempting to register for a class for which you have already earned credit and would exceeded the repeat limits stated in the catalog. If you wish to enroll in a non-repeatable course for which you previously earned credit and earned a grade of D or better, you need an override from the Office of the Registrar. Students who previously earned a C or better and want to repeat the course must wait until November 12 to register for classes.

Note: Each Department Office may have different procedures for resolving course errors. Departments may override errors only for their own courses.

New and Returning Students

(Not Enrolled for Fall 2016)

New and returning students must be accepted for admission or readmission by the appropriate office prior to enrollment. Students wishing to take undergraduate coursework should contact the Admission Office; students wishing to take graduate coursework should contact the Graduate Studies Office. Registration information will be provided upon admission or readmission to the University.

Instructions

Please refer to the Registrar's Website for current registration instructions www.truman.edu/registrar.

Resolving Errors

Closed Course. If the course is closed, you may be given the option to add yourself to a wait list. You may also check to see if other sections of the same course are still open. In some cases, you can search for courses by attribute to find other courses that will fulfill the same requirement as the course that is closed.

Registration Assistance/ Disability Services

Students with disabilities or students who need special registration assistance may contact Disability Services located in the McKinney Center, or at (660) 785-4478.

Help Desk Services

Students who need technical assistance should contact the Information Technology Services Help Desk at (660) 785-4544 or at helpdesk@truman.edu.

ADDING AND DROPPING COURSES

To Add a Course or Courses To Drop a Course or Courses

Add Procedure

You may process course additions on TruView beginning with your group's first available date/time through the end of the designated add/drop period at the beginning of the semester (see "Important Dates").

You will not be able to register for classes until you have been cleared for registration by your academic advisor.

Wait Lists — A wait list is an electronic list of students who want to enroll in a course that has reached maximum capacity (closed). Wait listing is a registration option, not automatic. Most wait lists are built on a first-come, first-served basis and are prioritized according to the date and time students select the wait list option.

Overrides — A Department Office may enter an override to allow you to register in a course that you believe you may not be able to enroll in even if listed on the wait list.

Credit Load Restrictions/Overload Permits

Undergraduate — students desiring to enroll in more than 17 undergraduate hours must obtain an overload permit from the Academic Affairs Office (MC 203). This form must be submitted to the Registrar's Office for processing before the student can enroll via TruView.

Graduate — students desiring to enroll in more than 14 graduate hours must obtain an overload permit from the Dean of Graduate Studies (MC 203). This form must be submitted to the Registrar's Office for processing before the student can enroll via TruView.

Late Registration

Late registrants will be accepted only in those classes where the instructors believe that work missed may be conveniently made up. Complete an Add/Drop form and obtain signatures of the instructor and department chair for each course added. Bring the completed form to the Registrar's Office for processing. A late registration fee of \$20 will be assessed in addition to regular registration fees for any student who initially enrolls on or after the first day of class. Students are not allowed to attend any class unless officially enrolled.

Drop Procedure

You may process course drops on TruView beginning with your group's first available date/time through the end of the designated drop period (see important dates).

Be familiar with the deadline dates for dropping courses, as these dates affect your fees and the grades that will appear on your transcript.

Changing all Courses

You will not be allowed to drop all courses via TruView. If you plan to drop all courses and replace them with other courses, drop all but one course, add the new courses, then drop the last course.

Withdrawing from all Courses

If you wish to completely withdraw from the semester, you can do so through TruView. Use the link on the Student Tab that says "withdraw from all courses for a selected semester."

Note: please remember that your instructor cannot drop a course for you, nor can he/she change sections of a class for you. Only **you** can initiate an add or drop. The transaction becomes official when it is processed.

Students may change their enrollment to audit only during the first week of the semester. Further information regarding this grading option is included in the General/Graduate Catalog.

Payment Options Available

Standard Payment Plan

The first option available for payment of University fees is to pay the semester's fees in total by the end of the first week of classes. Fees not paid by the end of the first week of classes will be considered past due, and interest at 9% per annum (.75% per month) will be assessed on the unpaid balance. An additional \$75 late fee will be assessed if fees are not paid in full by July 5 for the summer term, November 15 for fall semester and April 15 for spring semester. Students who do not sign up for the Truman Flexible Payment Plan are expected to pay the semester's fees in full at the beginning of the semester.

Truman Flexible Payment Plan

The second option is to pay fall and spring semester fees in flexible payments throughout the semester. Summer fees are payable in two installments. Under this flexible payment plan, students will receive online monthly e-billings showing the full remaining semester balance due. Payments can be as flexible as your individual circumstances require, as long as you pay an initial 25% (50% for summer terms) by the end of the first week of the semester, and pay the semester fees in full by November 15 for fall semester, April 15 for spring semester, and July 5 for summer terms. Under this plan, interest at 6% per annum (.5% per month) is charged on the unpaid balance. Accounts not paid in full by July 5 for summer, November 15 for fall, and April 15 for spring will include an additional \$75 late fee. To utilize this payment plan, students can sign up for the Flexible Plan via TruView, Student Tab, Student Finances section and click Flexible Payment Plan Agreement.

Return of Enrollment Fees

See the "Important Dates" section for information on refund of Enrollment Fees.

Students dropping individual courses after the semester begins are not entitled to a reduction in fees with the possible exception of special course fees.

Fee Waiver for Senior Citizens

Persons 65 years of age or older shall have their instate Enrollment Fees waived and are eligible to enroll in any courses offered in the official university semester class schedule on a space-available basis. The Enrollment Fee waiver will not apply to Professional Development Courses, workshops, books and supplies. Classes may be taken for credit or for audit.

FINANCIAL AID

For more information regarding fees and fee payment, go to www.truman.edu/businessoffice/student-accounts/

Federal Student Aid Programs

Students who have been notified by the Financial Aid Office that they have assistance for the semester will receive their first billing for the term with the amounts of their estimated aid reflected on but not deducted from the invoice. Instructions will be included regarding the receipt of a refund if there are funds in excess of the amount owed the University. Federal aid such as Pell Grant, Perkins Loan, Supplemental Grant, Nursing Loan, and the Federal Direct Loans (Stafford and PLUS) will be applied toward unpaid fees and housing charges first.

Students wanting to use Federal aid proceeds to pay amounts due for the semester must submit a complete application to the Financial Aid Office by June 1. Applications received after this date will be processed, but funds will normally not be available at the beginning of the term. A complete application consists of the results of a Free Application for Federal Student Aid (FAFSA) and any additional forms requested by the Financial Aid Office.

State Programs Vocational Rehabilitation

Amounts authorized by Vocational Rehabilitation for tuition, fees, and on-campus housing will automatically be credited to the student's account. If Vocational Rehabilitation authorizes book money, the student should contact the Truman Bookstore. If the parking sticker charge is covered, contact Student Accounts in the Business Office for credit.

Should Vocational Rehabilitation approval not arrive in the Financial Aid Office in time for the fee payment deadline, the student must pay charges due and be reimbursed later when the authorization is received.

Missouri Financial Assistance Programs

The application deadline for state need-based assistance is April 1 for the coming year. The same FAFSA (Free Application for Federal Student Aid) form that is used for federal aid is also used for state aid. Disbursement of state funds does not occur until after the semester has begun and enrollment is certified. Then amounts will be applied toward unpaid tuition, fee, and housing charges first before excess funds are given directly to the student.

Veterans Benefits

Students who are eligible for Veterans benefits should contact the Veterans Representative in the Registrar's Office.

Each semester, students who are receiving Veterans benefits must complete an Intent to Enroll form before an enrollment certification can be submitted to the Veterans Administration for processing. Intent to Enroll forms are available in the Registrar's Office, MC 104. Any time a schedule change is made, it is the student's responsibility to immediately notify the Veterans Representative of the change. Schedule changes include adding courses, dropping courses, or withdrawing from the University.

Students who are receiving Veterans Benefits are required to sign an attendance verification sheet for each month enrolled. The Truman Veterans Representative has this form.

Truman State University is proud to support the Yellow Ribbon Program and the Missouri Returning Heroes' Educational Act.

University and Truman State University Foundation Scholarships

Students must complete necessary paperwork, including service renewal proposals, before scholarships can be credited to accounts. All scholarships will be shown as credit via the invoice received from the Business Office. Credits will appear on subsequent invoices for students who complete the required forms after the first billing date. Students will also be able to view their account at any time through TruView. If students have questions about their scholarships, they should inquire at the Financial Aid Office (MC 103).

Faculty and Staff Discounts

All faculty/staff discount recipients should follow this procedure:

1. Obtain their department head's signature on a discount form located on TruView, Employee Tab, under Benefits - faculty and staff enrollment fee reduction application;
2. Bring the discount form to the Human Resource Office (MC 101) for approval and signature;
3. Enroll in class(es); and

Private Scholarships

Private scholarships should be turned in to the Financial Aid Office, MC 103.

ROTC Scholarships

Students on the ROTC Program will receive notification of scholarship application on the student invoice.

If additional ROTC covered charges occur during the course of the semester, the student should report the charges to the Student Accounts section of the Business Office.

COURSE INFORMATION

Online and Classroom Courses

Truman offers a limited number of undergraduate and graduate courses utilizing an online method of instruction.

Online classes are conducted via your personal computer and modem or direct cable access from your home or office through the Internet. You will need a PC or Macintosh, a modem or direct cable access and your own Internet Service Provider.

Some courses may require meetings either on-campus or off-campus prior to or during the semester. An on-campus final examination may be required at the end of the semester. Some courses may require you to report to a third-party testing center for proctored examinations. Refer to specific course meeting times and comments contained in the special section of this booklet for more details.

Online courses provide students the convenience of completing coursework from off-campus locations, while at the same time maintaining student status at Truman for financial aid consideration, enrollment verification and applicability of credit (these courses are the equivalent of regularly offered Truman courses in terms of applicability to degree requirements).

Students are assessed regular enrollment fees based on the number of credit hours enrolled for online and classroom courses. Online courses will be assessed an additional \$30 fee per course. Regular registration procedures are required to enroll in these courses.

Internships

Students interested in an internship should contact their academic advisor or department chair for additional information. Regular registration procedures are required to enroll in these courses, once final approval has been granted. Students are assessed regular enrollment fees based on the number of credit hours enrolled for the internship. Students may not receive credit after the fact for hours previously worked in an internship capacity.

Independent Study

Generally only faculty who are teaching regular courses during the semester are available to work with students on an independent study basis during this period. Regular registration procedures are required to enroll in these courses, once approval has been granted by the faculty member and department chair. Students are assessed regular enrollment fees based on the number of credit hours enrolled for an independent study course.

Workshops and Interim Courses

Truman offers workshops and interim courses between regular semesters. Refer to the Registrar's website at <http://www.truman.edu/registrar>. Select 'Registration' from the links on the left. Select 'How to Search for Courses on the Current Course List' and then select 'Current Course List.'
