WELCOME TO TRUMAN

Welcome!

We are very excited that you decided to join the Truman community. We have been working hard this summer preparing for your arrival. We know that the key to your success upon entering Truman is to hit the ground running. We have done our best to create an efficient and valuable orientation experience.

This program includes the planned schedule for the Transition 2014 - Fall Transfer Student Orientation. Students who participate in all orientation events will be well prepared for life and learning at Truman. Your Transfer Team has done everything we can to create opportunities for you to meet and interact with both new and former transfers while also learning about Truman specific information. We hope you will join us for the entire orientation but we understand you might have other demands on your time. If you have questions about a specific orientation event, feel free to ask a member of the Transfer Team. Also, please remember classes begin on Thursday, August 21st, 2014.

We're glad you are here and we're ready to help make your transition to Truman as smooth as possible. If you need anything, just ask.

Sincerely,

Your Transfer Team
