Now Hiring For Open Female SA Position in MO Hall

Recently, one of the Missouri Hall staff members was promoted to serve as the West Campus Suites Community Coordinator. Another staff member was relocated to cover the empty space. This created a staff vacancy for Student Advisor in 5 South. The Missouri Hall Staff is now accepting applications for this position.

Applicants must be able to take over the position immediately and be ready for on-the-job training. The staff is looking for someone with the confidence and skills to hit the ground running.

To apply, visit the Missouri Hall website at <http://missouri.truman.edu>. Fill out the application online by 5:00 PM on Wednesday, January 26, 2011. Interviews will be extended to some candidates after applications have been reviewed. Please talk with Zac if you have any questions regarding the position or how to apply. Please note that this application process is separate from the general SA application for jobs for next year.

Don't Pee in the Elevators. Wow, That Actually Had to be Said.

Someone continues to urinate on the floor of the north elevator, almost daily at this point. Each time the elevator is peed in, dear sweet Donna from our housekeeping staff has to get down and scrub the carpets clean. It's gross, childish, and immature for anyone to pee there. But if for no other reasons, please make sure Donna doesn't have to clean up pee on the carpet any more.

If you would like to come forward with any information, please drop by to see Zac any time. Thank you for your help.

Think Pink With Truman Athletics to Fight Breast Cancer

Truman Athletics is again sponsoring a "Cheer Purple, Think Pink" basketball night out at Perhsing. This year's games, versus University of Nebraska - Omaha, will be February 12 at 1:00 and 3:00 PM. If you'd like to order one of this year's shirts, stop by to order one in Zac's office (MH 1206). The shirts are \$7, with proceeds benefiting the Adair County Relay for Life. The shirts are black with pink lettering reading "Cheer Purple, Think Pink" along with the Bulldog logo. You must order by Jan. 20.

Keeping it Clean in Missouri Hall. Keeping it Quiet in Missouri Hall.

Everyone in Missouri Hall had the chance in late November to participate in a survey about your experience living here. We had a really great response rate, and there were two things that stood out. First, we could all do better keeping Missouri Hall clean. Second, everyone could study and sleep better if we would be quieter in the building.

Over the coming weeks, new initiatives will be happening to try and help you out in those areas. There are a lot of things you can do on your own to help too. When leaving a lounge or other public spaces, clean up your mess and put the furniture back. Don't leave personal items in the lounge, including gaming systems. The public spaces should look clean and inviting whenever someone wants to use them.

We need to make sure people can effectively study and sleep here. During quiet hours especially, be mindful of your noise levels in your room, in the hallways, and in the lounges. When you think about walking through the hallways at night, think about how quiet you would be if you were sneaking into your parent's house a night. Yep, that quiet. Call the staff at 660-341-1017 if things are too loud.
