Class Registration Fact Sheet

★ First semester at Truman
You will be pre-enrolled in the appropriate courses before your arrival by a trained academic advisor based on your enrollment forms. You may work with your academic advisor to change your course schedule during the first week of the semester, after your arrival.

★ After first semester at Truman
After your first semester, you will be able to register for your classes on your own with your academic advisor’s approval. You will use a degree plan that is created with your academic advisor to determine courses you will take each semester. It helps you determine your expected graduation date, the number of classes you will take each semester, and which courses you will take each semester.
