ISAO SUPPORT: OUR OFFICE

CULTURAL INTEGRATION LEADERS

Coordinator: Alicia Knoblock

Co-Coordinator: Samantha Collins

CULTURAL INTEGRATION LEADERS

Cultural Integration Leaders (or CILs, for short) serve international students in their halls and off-campus.

Each international student will have an assigned CIL. You will meet this person when you arrive at Truman.

CILs' duties include helping their students arrange transportation for running essential errands, and helping students deal with some American processes such as applying for a social security number or figuring out how to go about paying bills. CILs are on call to help you if you have a problem!

INTERNATIONAL AMBASSADORS

INTERNATIONAL AMBASSADORS

International Ambassadors serve to help new international students better integrate to US life. Their first hand experience can help new students feel more comfortable. Don't hesitate to contact international ambassadors with questions you might not feel comfortable asking an American.

International Ambassadors also attend campus events to help American students and international students better understand one another.

ACADEMIC SUCCESS MENTORS

ACADEMIC SUCCESS MENTORS

Academic Success Mentors (or ASMs, for short) are assigned to first year students to meet for thirty minutes a week to help students adapt to an American classroom environment and develop the necessary skills to excel. They are a great resource for learning about study skills, classroom etiquette, and general advice concerning academic matters. If you will be first year student, you will be contacted by your mentor at the beginning of the school year.

THE ISAO WILL REQUIRE YOUR EMERGENCY CONTACT INFORMATION DURING ORIENTATION. MAKE SURE YOU HAVE THE NAME, ADDRESS, EMAIL, AND PHONE NUMBER OF A PERSON WE CAN CONTACT IN CASE OF EMERGENCY.

EMERGENCIES – WHEN CAN I EXPECT IMMEDIATE HELP FROM THE ISAO?

What is an emergency?

- a family tragedy
- car accident
- getting arrested
- being hospitalized

What is NOT an emergency?

- Do you have my grades?
- Did my work permit come in?
- Will you be in your office tomorrow?
- I forgot to have my I-20 signed and I'm leaving tonight!

Orientation: There are many specific issues that international students face. Orientation is designed to help students understand their responsibilities concerning their immigration status, being good students, and learning about the resources available to them. You **MUST** understand the rules governing your student visa in order to remain a legal student in the United States.
