TO: ALL PROSPECTIVE CONTRACTORS

RE: Addendum No. 1
Magruder Hall Selected Areas Flooring Replacement Project
Project No. CP2018-007

Addendum No. 1 is issued to provide prospective bidders notice of the following change. This addendum is applicable to work designated herein and shall be understood to be a part of and included as part of the bid documents.

The following changes are part of this addendum:

1. In reviewing the Specifications for the Magruder Hall floor replacement in specific areas document, I realized that when copying from another document, I failed to edit the language. The correct language for Section XVIII (page 19) should read as follows:

“Work shall commence upon receipt of an Agreement and Purchase Order from the University Purchasing Agent. Work may begin May 14. Work must be completed by August 10, 2018. Refer to important dates in Section XI, A and the attached summer classroom schedule (Attachment C) to coordinate work. Orders for materials must be placed in time for installations to begin as early as May 14, 2018. The building will be occupied. The selected contractor and the University will agree on the final schedule prior to beginning work.”

2. The secondary corridors heading west off of the main corridor and the secondary north-south corridor are to be the single color of the main corridor border and laid in the direction of the border. The majority of these corridors are Alternates 1 and 2.
3. The display area near the southeast entry that exhibits the horse skeleton is to have LVT.

Responses are to be submitted as outlined by 2:00 PM Thursday, March 27, 2018. If you have questions regarding this packet of information, please give me a call directly to 660.785.4326 or send an email to kmurphy@truman.edu. Thank you.

Sincerely,

A handwritten signature in black ink that reads 'Kim Murphy'.
