SUSTAINABILITY TIPS

1. **Communicate with roommate.** Talk with your roommate about purchases and what you are bringing to reduce duplication.
2. **Bring reusable items.** Bring reusable water bottles, plates, silverware, mugs, etc. to use throughout your residential experience.
3. **Use reusable containers.** Utilize reusable plastic tubs and bins or suitcases that can be reused to help reduce waste.
4. **Use soft materials for packing.** Utilizing blankets and towels instead of bubble wrap helps reduce waste and also saves packing space.
5. **Less is more!** It is better to bring less to campus and then figure out if there is something needed later. You may likely pick up items later throughout your residential life experience or purchase as needed.
6. **Recycle.** Utilize designated recycling bins including cardboard.
7. **Shop local.** If you can, purchase items from local small businesses.

Before You Move-In

Get vaccinated for Meningitis

- As required by state law, all students living in residence halls will be required to either: 1) show proof of immunization against meningitis within the past five years; or 2) sign a waiver stating they understand and fully accept the potential consequences and liability associated with refusing the vaccine. Students **WILL NOT** be allowed to move into the residence halls without first meeting the above requirements. Please refer any questions you may have about vaccinations to the Student Health Center at 660.785.4182.

Get vaccinated against Measles, Mumps, and Rubella (MMR)

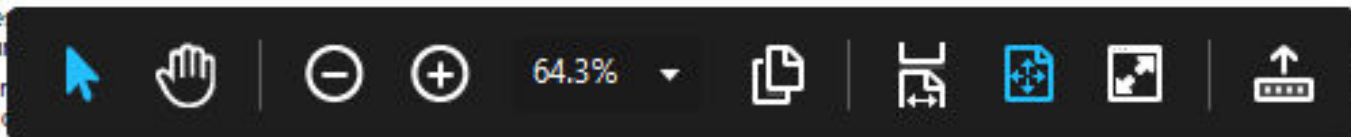

- Truman policy requires proof of immunization against measles, mumps and rubella - often given together as the MMR vaccine. This is a series with the first shot given at or after age one year and the second given at least 28 days after the first one. Individuals opting out of this immunization for medical reasons must provide titer results documenting immune status.

Get fully vaccinated for COVID-19

- According to the Center for Disease Control (CDC) the COVID-19 vaccines are effective at protecting you from getting sick and spreading the virus to others!

Submit your PHOTO for your Truman ID if you did not pick up your Truman ID during Orientation.

- If you do not yet have your Truman ID card you will need to go to the ID Office during your move-in window. For instructions on submitting your ID photo for your Truman ID Card, visit the ID Office Website. idoffice.truman.edu.
- To obtain your Truman ID, you will need to show your state-issued ID card (such as a drivers license or a passport).
- Your Truman ID is necessary to access your residence hall and your meal plan.
