## NOTES:

- Pre-MAE Latin students must take Latin every semester to meet the minimum qualifications for admittance into the MAE Latin program (at least 5 LATN courses at the 300- or 400-level).
- Summer independent study of Latin is possible, particularly if a student on the pre-MAE Latin track begins elementary Latin in their first year, but prior arrangements must be made with the Latin disciplinary liaison for the MAE.
- Pre-MAE Latin students are encouraged to participate in Latin service-learning opportunities to teach Latin in local elementary school as volunteer work or for academic credit (CML 200: Service Learning Experience – Latin, 2 credits, repeatable).
- Applicants to the MAE Latin program should plan to take the National Latin Exam – one of the entrance exams to the program – **in the Spring of their junior year**. If students are enrolled in a 300- or 400-level LATN class in the spring, the NLE will be taken as part of that course.
- **Applicants to the MAE Latin program should apply to the program in their senior year.**
- For more information about the MAE Latin program please [see this page](#).
- For Classics students interested in teaching Latin but do not wish to pursue certification, follow Plan 1 with a minor in Foreign Language Teacher Preparation.
- WE = Writing Enhanced course
- If you have not completed the Civics Exam, we recommend doing so in your **first year**.
- Truman students are required to complete a [Portfolio](#) to graduate. We recommend starting to compile your work for the Portfolio sooner than later.
- Students must complete their Application to Graduate **the semester prior to graduating**. Apply to graduate through TruView.
- Graduating seniors need to complete their seniors test and questionnaire. We recommend reviewing the [Assessment & Testing page](#) to plan accordingly.
- **The Dialogues curriculum** requires a certain number of courses/credit hours in the following Perspectives: Social, Arts and Humanities, STEM, Communications, and Statistics. The exact number of courses a student will be required to take during their undergraduate career varies individually according to the credit transferred in.

**Department Chair:** Please contact the [Center for Academic Excellence](#) with any updates to the plan above. Rev. 7-30-24
