### NOTES:

- Total Truman credits is below 120 assuming 8 credits from STAT 190 and MATH 198 to total 128 credits.
- **(\*\*)** = **Actuarial Science minors** should take STAT 290, 570, 571, MATH 330 (as a MATH/STAT elective) and one additional STAT elective not in the above plan, and (for the minor) take BSAD 153, ACCT 220, BSAD 329, and ECON 200-201 or 205. Actuarial science minors should also consider taking STAT 460 Undergraduate Statistics Practicum when they do their actuarial science internship in the summer to substitute for STAT 497 (although they will need a second writing-enhanced course).
- **Math minors** should take MATH 200 (as a course for the BS requirement or as a MATH /STAT elective), MATH 357, STAT 570, STAT 571, and (for the minor) one other math major course (excluding MATH 263). Note: MATH 330, 400, or 461 could also count as a MATH/STAT elective.

- **Students interested in graduate school in theoretical statistics** should strongly consider taking MATH 200 (as a course for the BS requirement or as a MATH /STAT elective), MATH 461 (as a course for the BS requirement or as a MATH /STAT elective), and STAT 570-571.
- WE = Writing Enhanced course
- If you have not completed the Civics Exam, we recommend doing so in your **first year**.
- Truman students are required to complete a [Portfolio](#) to graduate. We recommend starting to compile your work for the Portfolio sooner than later.
- Students must complete their Application to Graduate **the semester prior to graduating**. Apply to graduate through TruView.
- Graduating seniors need to complete their seniors test and questionnaire. We recommend reviewing the [Assessment & Testing page](#) to plan accordingly.
- **The Dialogues curriculum** requires a certain number of courses/credit hours in the following Perspectives: Social, Arts and Humanities, STEM, Communications, and Statistics. The exact number of courses a student will be required to take during their undergraduate career varies individually according to the credit transferred in.

**Department Chair:** Please contact the [Center for Academic Excellence](#) with any updates to the plan above. Rev. 8-7-24
