### NOTES:

- WE = Writing Enhanced
- (^) - All students must complete Perspectives requirements. Health Science Community Worksite and Public Health concentration students are specifically required to complete **BIOL 107 or BIOL 100, STAT 190 and PSYC 166** to fulfill Required Support. The Writing Enhanced (WE) course requirements are met by completing **HLTH 320** (as an elective in the major or another WE course in any area), **HLTH 349**, and **JINS 3XX**.
  - See course pre-requisite at [catalog.truman.edu](http://catalog.truman.edu)
- (\*) - CHES Exam = The Certified Health Education Specialist (CHES) examination
- You are encouraged to use these materials in conjunction with the Truman Catalog and Degree Works (available on TruView) as a guide in planning your progress toward completion of degree requirements. The Office of the Registrar is responsible for certifying completion of degree requirements based on requirements specified in the catalog.
- **The Dialogues curriculum** requires a certain number of courses/credit hours in the following Perspectives: Social, Arts and Humanities, STEM, Communications, and Statistics. The exact number of courses a student will be required to take during their undergraduate career varies individually according to the credit transferred in.
