## NOTES:

- "A Term" and "B Term" courses are 8-weeks. Full-semester courses are 16-weeks.
- (^) - Behavior Analyst Certification Board (BACB)
- Upon certification, individuals may apply for licensure in their respective state. Students are encouraged to review their state's licensure laws to ensure their internship experiences are aligned with the requirements. Truman State University maintains a website with state licensure information, updated annually at <http://consumerinformation.truman.edu/stateauthorization/>. Additionally, specific information about which states require licensure prior to practice, their specific requirements, and instructions to apply can be found here: <http://www.bacb.com/u-s-licensure-of-behavior-analysts/>. Students are expected to update their permanent address each semester to help ensure they can be properly informed about changes in licensure rules in their home state.

**Graduate Program Director:** Please contact the Center for Academic Excellence (advise@truman.edu) with any updates to the plan above. Updated 2-27-2026
