Important Notes

Coursework for the English major is divided into the following: **Part I: Common Experiences** - three courses, 8 credit hours; **Part II: Guided Exploration** - three courses, one from each of three areas, 9-12 credit hours; **Part III: Electives** - additional 14-17 hours of approved coursework to total a **minimum of 34 credits, at least 20 of which need to be at 300-level or above**

- The ENG (BA) is extremely flexible; the plan above is intended to illustrate a typical distribution of courses from various areas of the program
- Ofstad Visiting Scholar courses may count toward the degree program — details will be included in open course lists
- Students interested in the MAE should check ED catalog pages for certification requirements (ex., ENG 209 Dialogues w/Lit is required for secondary English certification)
- The Dialogues Curriculum requires a certain number of courses/credit hours in the following Perspectives: Social, Arts and Humanities, STEM, Communications, and Statistics. The exact number of courses a student will be required to take during their undergraduate career varies individually according to the credit transferred in.

Department Chair: Please contact the [Center for Academic Excellence](#) with any updates to the plan above.
