NOTES:

- (^) = All students must complete Perspectives requirements. Health Science Pre-Medical Sciences students are specifically **required** to complete **BIOL 107, CHEM 130, and PSYC 166** to fulfill Required Support.
- (**) = Students who wish to take the MCAT are recommended to complete a minimum of **PHYS**

185, PHYS 186, and CHEM 329, CHEM 331, CHEM 333 and CHEM 335.

- WE = Writing Enhanced course
- The Writing Enhanced (WE) course requirements are met by completing HLTH 320 (as an elective in the major or another WE course in any area), HLTH 349, and JINS 3XX.
- See course pre-requisites at catalog.truman.edu/.
- You are encouraged to use these materials in conjunction with the Truman Catalog and Degree Works (available on TruView) as a guide in planning your progress toward completion of degree requirements. The Office of the Registrar is responsible for certifying completion of degree requirements based on requirements specified in the catalog.
- If you have not completed the Civics Exam, we recommend doing so in your **first year**.
- Truman students are required to complete a [Portfolio](#) to graduate. We recommend starting to compile your work for the Portfolio sooner than later.
- Students must complete their Application to Graduate **the semester prior to graduating**. Apply to graduate through TruView.
- Graduating seniors need to complete their seniors test and questionnaire. We recommend reviewing the [Assessment & Testing page](#) to plan accordingly.
- **The Dialogues curriculum** requires a certain number of courses/credit hours in the following Perspectives: Social, Arts and Humanities, STEM, Communications, and Statistics. The exact number of courses a student will be required to take during their undergraduate career varies individually according to the credit transferred in.

Department Chair: Please contact the Center for Academic Excellence with any updates to the plan above. Revised 2/24/2025
