## NOTES:

- All students must complete Perspectives requirements. Health Science Pre-OT/AT concentration students are specifically **required** to complete **BIOL 107** or **BIOL 100**, **CHEM 100** or **CHEM 130**, and **PSYC 166** to fulfill Required Support.
- WE = Writing Enhanced course. The Writing Enhanced (WE) course requirements are met by completing HLTH 320 (as an elective in the major or another WE course in any area), HLTH 349, and JINS 3XX.
- See course pre-requisites at [catalog.truman.edu](http://catalog.truman.edu).
- You are encouraged to use these materials in conjunction with the Truman Catalog and Degree Works (available on TruView) as a guide in planning your progress toward completion of degree

requirements. The Office of the Registrar is responsible for certifying completion of degree requirements based on requirements specified in the catalog.

- If you have not completed the Civics Exam, we recommend doing so in your **first year**.
- Truman students are required to complete a [Portfolio](#) to graduate. We recommend starting to compile your work for the Portfolio sooner than later.
- Students must complete their Application to Graduate **the semester prior to graduating**. Apply to graduate through TruView.
- Graduating seniors need to complete their seniors test and questionnaire. We recommend reviewing the [Assessment & Testing page](#) to plan accordingly.
- **The Dialogues curriculum** requires a certain number of courses/credit hours in the following Perspectives: Social, Arts and Humanities, STEM, Communications, and Statistics. The exact number of courses a student will be required to take during their undergraduate career varies individually according to the credit transferred in.

**Department Chair:** Please contact the [Center for Academic Excellence](#) with any updates to the plan above. Revised 3-9-2026
