When the IRS determines a tax filer has been or likely was a victim of identity theft, it will not allow him to use the IRS Data Retrieval Tool on the FAFSA or get a tax return transcript until the matter has been resolved, which can take up to a year for complex cases.

An individual who is the victim of identity theft and cannot get a return transcript must contact the IRS's Identity Protection Specialized Unit (IPSU) at 1-800-908-4490. After the IPSU authenticates the tax filer's identity, they can ask the IRS to mail them an alternate paper tax return transcript knows as the TRDBV (Transcript DataBase View).

Please complete this form indicating that the parent and/or student was a victim of identity theft and submit it along with a copy of the TRDBV (Transcript DataBase View) to the Financial Aid Office.
