AMERICA THE BEAUTIFUL

arranged by Roger Cody

Jack McFarling

America the Beautiful

O beautiful for spacious skies, For amber waves of grain
For purple mountain majesties above the fruited plain!
America! America! God shed his grace on thee,
And crown thy good with brotherhood
From sea to shining sea.

RECESSIONAL AND POSTLUDE

Quintet No. 1, Mvt. III – Victor Ewald

JUNIOR MARSHALS

The Junior Marshals, robed in white, serve as escorts during the Commencement ceremony.

COMMENCEMENT SPEAKER

JUDGE DUANE BENTON

Duane Benton is a judge on the United States Court of Appeals for the Eighth Circuit, which hears appeals from the federal courts in seven Midwestern states and is subject to review only by the U.S. Supreme Court. He has the distinction of being the first and only U.S. circuit judge who is a certified public accountant.

Previously, Benton served on the Missouri Supreme Court from 1991 until 2004. In 1997, the other judges of the court elected him chief justice for a two-year term.

Born in Springfield, Benton grew up in Mountain View and Willow Springs, Missouri. He is a 1972 graduate of Northwestern University, graduating summa cum laude and Phi Beta Kappa. Benton received a law degree from Yale Law School in 1975, distinguishing himself as editor and managing editor of the Yale Law Journal. Selected as a Danforth Fellow, he completed the Senior Executives Program at Harvard University's John F. Kennedy School of Government.

A Vietnam veteran, Benton retired from the U.S. Naval Reserve at the rank of captain after 30 years of active and reserve service. He is a graduate of the Naval War College and has assumed leadership roles in the American Legion, the Veterans of Foreign Wars and the Missouri Military Advisory Commission.

From 1975 to 1979 Benton served with the U.S. Navy as a judge advocate. While in the Navy, he attended Memphis State University, earning a master's degree in business administration and accountancy.

In a decorated professional career, Benton excelled as the chief of staff to a Missouri congressman, a private attorney in Jefferson City and the 14th director of revenue in the history of Missouri. Additionally, he taught as an adjunct professor at Westminster College and at the law schools of Vanderbilt, Missouri, Brooklyn, Pepperdine and St. Louis University.

Among his many public service appointments, Benton was chair of the Multistate Tax Commission and president of the Midwestern State Association of Tax Administrators. He served on the board of the Missouri State Employees Retirement System, the Missouri Commission on Intergovernmental Cooperation, the Council for Drug Free Youth and the Jefferson City United Way. An active Rotarian, Benton has been president of two clubs, a district governor and president of Show Me Rotary multidistrict president-elect training.

Benton is a member of the Missouri Bar, the American Institute of Certified Public Accountants, the Missouri Society of Certified Public Accountants and the American Academy of Attorney-CPAs.

THE GRADUATES

HONORS SCHOLARS

General honors in arts and sciences are awarded to graduating seniors who have completed five specially designated courses. At least one course must be from the areas of mathematics, science, humanities, and social science. Only grades of "A" and "B" may count toward the General Honors grade point average requirement of at least 3.50 in those five courses and students must have an overall grade point average of 3.50.

DEPARTMENTAL HONORS

Departmental honors in the major are available in several disciplines for outstanding majors who have achieved distinction as determined by measures specific to the Departmental Honors Program. Students meeting the requirements for Departmental Honors will have their transcript annotated.

DISCIPLINE HONORS

The Academic Honor Awards were established to recognize the outstanding senior/graduating student major in each discipline. Each discipline nominates students to receive the Outstanding Student Award. The Awards can be given to both the Outstanding Undergraduate and Outstanding Graduate Student in a discipline.

MESSAGE TO NEW ALUMNI

Congratulations! Under the most unusual circumstances, it is especially important to take a moment to celebrate you and your years of hard work developing your academic talents as well as your evolution as an individual who is capable of affecting change in your community. You are uniquely situated to tackle critical issues and bridge philosophies in the coming years because of your rigorous liberal arts and sciences education. We know that you worked hard, but also know you built friendships and memories that helped develop you into the person you are today.

In a dramatic way, your experiences at Truman came to a halt, but as alumni, we know your experiences do not belong to any one location. You do not take your next steps alone. The Alumni Association is about maintaining old and creating new connections with fellow Bulldogs. With more than 62,000 Bulldogs worldwide, we carry our Truman teachings near and far. The Truman experience is irreplaceable, so join us. You can find alumni groups located across the country:

Arizona	Iowa	Omaha
California	Kansas City	Springfield, Missouri
Chicago	Mid-Atlantic (D.C. area)	St. Louis
Colorado	Mid-Missouri	Upper Northeast (CT, NJ, NY)
Dallas	Northeast Missouri	Wichita

Even if you are not able to join an alumni group in one of these areas, please connect with us through social networks (Facebook, Twitter, Instagram). As times change, we have also changed, hosting our first completely virtual event this spring. We challenge you to spread your Truman story and build an increasingly stronger network of Bulldogs for future generations.

As you join other Truman alums throughout the world, we believe you will find the same benefits that we do: an amazing network of people that share the indescribable experience of a Truman education.

Be proud of your accomplishments, you have worked hard and earned this incredible achievement! The class of 2020 will always be known as resilient, strong, and steadfast. Welcome to the next chapter of your life and your continued opportunity to fulfill the Bulldog Forever legacy. Congratulations on your many triumphs. We can't wait to hear what comes next!

Bulldog Forever,

Natalie Gerhart ('07)
President
Alumni Association Board of Directors

COMMENCEMENT INFORMATION

THE UNIVERSITY

In 1867, Joseph Baldwin returned to Missouri from Indiana, looking for a location to open a school to educate teachers. On September 2, 1867, Baldwin opened the North Missouri Normal School and Commercial College in Kirksville. In 1870, Baldwin's school became the First District Normal School of Missouri, the first in the state's new normal school system, dedicated to the education of teachers for the public schools.

At the close of the 1869-70 academic year, the Normal School graduated its first class of 15 men. The Commencement program was held in the auditorium of the Cumberland Academy building on Friday, June 24, 1870. President Joseph Baldwin preached the sermon and T.A. Parker, state superintendent of schools, delivered the address.

Today, Missouri's statewide public liberal arts and sciences university celebrates its August Commencement with over 1,000 men and women graduating with bachelor's and master's degrees. Although the people, the campus, the mission, and the name of the University have changed during the last 152 years, the traditions of the commencement ceremony have remained intact.

THE DRESS

The academic costume worn today is the dress of the medieval secular clergy with a few alterations introduced by 16th century Protestant reformers. The intellectual revival of the 12th century gave impetus to the founding of the European universities. Students in these institutions were clerks; thus, they wore the dress of the secular clergy. In the 16th century, Protestant reformers, who associated academic habits with popery, adopted more civilian gowns.

The oldest article of academic wear was the robe, which was a loose gown. The habit, a tunic with short, wide sleeves, was worn over the robe. A hood lined with fur or inexpensive skins could be gathered around the neck or pulled up on the head as a turban. Finally, there were three kinds of caps worn: the round cap, reserved for doctoral dignity; a round cap with strings tied under the chin, worn by jurists; and the square cap. Universities such as Oxford made the square cap official; however, secular universities adopted the Tudor bonnet still worn by doctors of law, medicine and music.

American academic costume was not established until 1895. It consists of three types of gowns, three styles of hoods and two kinds of cap tassels. The bachelor's gown has long, pointed open sleeves with no ornamentation. The master's gown has even longer sleeves, which are closed at the bottom but feature openings about halfway down for the hands. The doctor's gown has full-length lapels of velvet and bell-shaped sleeves with three horizontal velvet bars. The color of caps and gowns is usually black; however, some universities feature doctoral gowns of distinctive colors, such as Harvard's crimson and Yale's deep blue. Many schools outside the United States have also adopted colorful gowns.

The doctor's hood is the longest and fullest among the degrees. The major field of study can be determined from the velvet facing on the hood according to the following color scheme: white, the arts; gold-yellow, science; purple, law; apricot, nursing; green, medicine; sapphire, business administration; lemon, librarianship; scarlet, theology; and dark blue, doctors of philosophy.

The hood is lined with silk in the colors of the institution which granted the degree. Truman's masters graduates, for example, wear a purple and white-lined hood. The faculty at Truman State University represent doctoral-granting institutions around the world. A few of their hood colors are the blue and white of Duke, the orange and black of Princeton, the crimson of Harvard, and the scarlet of Oxford.

The candidates for graduation wear black caps to which are attached tassels of colors illustrative of their degrees:

White: Bachelor of Arts, Master of Arts, Master of Accountancy, Master of Science, Master of Arts in Education, Master of Athletic Training

Brown: Bachelor of Fine Arts

Yellow-Gold: Bachelor of Science

Apricot: Bachelor of Science in Nursing

Pink: Bachelor of Music, Master of Music

The medallions worn by some of the undergraduate degree candidates signify the designation of "honor graduate." There are three levels of honors based on a student's cumulative grade point average (GPA): an antiqued bronze medallion signifies Cum Laude, a GPA of 3.50 to 3.74; a silver medallion signifies Magna Cum Laude, a GPA of 3.75 to 3.89; and a gold medallion signifies Summa Cum Laude, a GPA of 3.90 to 4.0. Undergraduates with a 4.0 GPA are given the honor of valedictorian and wear a white satin stole with the Truman State University logo embroidered on the left and "Valedictorian" embroidered on the right. Final honors will be determined after all grades have been received and may be adjusted from those awarded for Commencement.

The academic procession is led by the Grand Marshal. The Grand Marshal carries the University Mace which symbolizes the academic corporate body of scholars possessing its own jurisdiction and legally constituted authority. The mace is made of Missouri black walnut and is decorated with purple and white tassels, and is topped with the University seal. Following the Grand Marshal are the platform guests dressed in doctoral robes with hoods featuring the purple and white colors of the University. Following the Marshal are the degree candidates aligned according to the degrees granted. The University faculty are brightly attired in the academic dress of their degree-granting institutions.

Junior marshals appear throughout the procession dressed in white robes and caps. They help form the procession and seat the commencement participants.
