

# Mathematics at Truman

// DISTINCT BY DESIGN

Degrees offered

**BA**  
**BS**  
Mathematics

Minors offered

Mathematics,  
Mathematical  
Biology,  
Actuarial Science

**180**

approximate  
number of students  
in the major

**180**

approximate  
number of students  
in these minors

**15**

full-time faculty  
members

**93%**

of faculty have a  
terminal degree

OUR SMALL CLASS SIZES AND A  
STUDENT-TO-FACULTY

**Ratio**  
**14:1**

ENSURE YOU HAVE FREQUENT  
ONE-ON-ONE INTERACTIONS  
WITH FULL-TIME PROFESSORS.

Notable graduate schools  
include

- University of Missouri
- Kansas State University
- Washington University
- MIT
- Yale University
- Truman State University

Notable employers include

- Census Bureau
- Principal Financial Group
- Towers Watson
- U.S. Department of Defense
- various Missouri high schools
- various colleges and universities

Join students in the Mathematical Association of America, Kappa Mu Epsilon (KME), Society of Actuaries at Truman State University (SATSU) and the Mathematics and Science Secondary Education (MASSE) organizations. They are open to all majors, and the only requirement is an interest in math!

“As a future Army officer, I came to Truman looking for an academic program that would both challenge and prepare me for my unique and diverse career path ahead. Choosing to study mathematics has not only given me the well-rounded education I came to Truman to find, but has also developed me into an analytical problem solver with all of the tools I need to succeed in the real world.”

– **MAX PYLE**, Class of 2019

Academic Interests: Mathematics major, Statistics and Military Science minors, Cultural Understanding and Language Program (CULP) through Army ROTC, spending three weeks in Nepal working with their military to further develop the relationship between our countries along with knowledge of Nepalese culture and language

Student Organizations: Army ROTC, Beta Theta Pi, Blue Key Honor Society, Truman Bull Rugby, Order of Omega

Hometown: St. Louis, Missouri
