The Non-Resident portion of tuition is \$7,360. Award packages for Non-Missouri residents are adjusted appropriately if the student becomes a Missouri resident. Out-of-State TruMerit, Non-Resident Tuition Waiver, Military Non-Resident Tuition Waiver, and MSEP are designed to assist with the out-of-state portion of tuition and cannot be combined. Students eligible for multiple awards designed to assist with the out-of-state portion of tuition will receive the award of the greatest value. If awarded a tuition waiver, other scholarships in their package will be updated to reflect consideration as an in-state student.
