Our Mission

Truman State University is here to open opportunity, promote access and social mobility, foster excellence, recognize merit, and do all things that urge our students to make themselves productive, free and equal.

Our destination is unmoving – to offer an exemplary and affordable public residential education to well-prepared students that is grounded in the liberal arts and sciences.

This is the mission that has driven Truman since its inception and is what makes us a unique public university in Missouri. In fact, we like to think of ourselves as a different kind of state school that is uniquely positioned to serve Missouri and the wider region.

Your Impact

Annual giving is a vital aspect of what propels Truman and its students to achieve “**A Different State.**” It’s what propels our progress, empowers our students’ ambitions, and transforms our campus into a hub of innovation and excellence.

Yearly gifts to our Annual Fund are crucial for providing the tools and resources students need to pursue their passions, perfect their purpose, and become the innovators and leaders they’re meant to be – on campus and beyond Kirksville.

The Truman community is a powerful network, and your generosity makes an enormous and lasting impact. Every donation – no matter how big or small – adds up to fund vital resources like scholarships, campus improvements, academic programming, and support for every student activity, department, every research project, lecture, performance, and so much more.

Simply put, your participation in the Annual Fund makes the Truman experience possible. Together, we are Truman and together, we can keep providing a brighter future for every one of our students.

Your Action

Build the Foundation for Fulfilling Futures

The Truman State University Annual Fund reflects the uniqueness of our campus community and provides donors like you with the opportunity to make a direct contribution to the areas of our community about which you are most passionate.

Access

Your support provides scholarships and opens doors to deserving students from all walks of life to experience the transformative power of a Truman education. By funding scholarships, you're helping to create a more equitable campus community where talent meets opportunity, ensuring that financial barriers don't hinder student success.

Campus Life

Your generosity helps us to continually expand our dynamic and engaging campus community. From student organizations and innovative learning environments to on-campus housing and social events, your investment fosters personal growth, lifelong connections, and the unforgettable memories that shape a transformative campus experience.

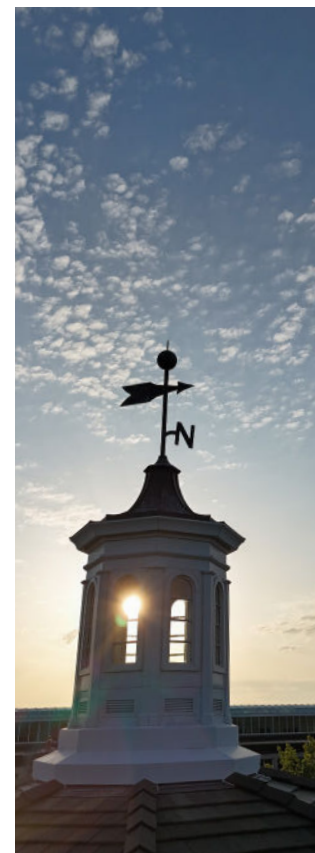

To show your support for the area that matches your interests, you can designate the name of any of our funds and scholarships when you make a gift to Truman. [Visit our website](#) to view a complete list of all funds and scholarships.

Distinction

Donor giving is crucial not only to maintaining Truman's position as the #1 public university in the Midwest but also to continuing our evolution and innovation at the cutting edge of education. Your contribution supports exceptional faculty, innovative programs, and groundbreaking research that propel our students to reach extraordinary heights and become leaders in their fields.

Community

Your gift helps us to foster deeper ties across our community and ensure that Bulldogs around the world continue to have the opportunity to connect and come together. By investing in Truman, you're ensuring that our university continues to be a leader in higher education, providing exceptional opportunities for all Bulldogs to learn, grow, and succeed.

Their Opportunity

CONTRIBUT

Your Contribution

Truman students are driven to succeed. Fueled by a love of learning, they pursue the type of education only available by living in community and immersing themselves in the unique experience that sets Truman apart both regionally and nationally. The difference their education makes empowers Truman students to stand out from the crowd and helps them succeed long after they graduate. This is what you support when you donate to the Annual Fund. You invest in difference makers. Your donation fuels a life-changing education and the continued enrichment of the entire community.

“

I am so thankful for the education and experiences I received at Truman, where I majored in biology. I am currently pursuing my master's in Wildlife Ecology at the University of Wisconsin-Madison and dream of one day working in conservation or at a zoo facility to conduct animal research. This career path would never have been achievable without the opportunities I received from Truman and the scholarship support that helped make college financially feasible.

Generous donors like you made my Truman experience possible. By making a gift to the Annual Fund, you don't just help create opportunities, you help change a student's life forever, and for that I am forever grateful.

A Message From Ernie

**Dear Truman State
University Supporters,**

As Vice President for University Advancement, I have the privilege of witnessing firsthand the remarkable impact that your generosity has on our community. Each year, your contributions fortify our commitment to excellence and help sustain Truman

State University's standing as the premier liberal arts and sciences university in the Midwest.

Your support through the Annual Fund is vital. It not only enhances our academic programs and enriches our campus culture but also ensures that the promise of Truman State remains accessible and exceptional. Every gift, no matter the size, contributes to our collective success and the transformational education we provide.

Thank you for your continued belief in our mission and your role in our enduring legacy. Together, we are not just preserving the value of a Truman State education; we are driving it forward, making an indelible mark on the lives of our students and propelling them to "A Different State."

With deepest gratitude,
